Island Thrift in Oak Harbor, 600 SE Barrington, also accepts gently used clothing, household goods, books, small appliances. Profits go back to the community, Island wide. They are open for donations M-Sat. 9-4, and store hours are 9-5:30, M-Sat. Phone 675-1133

Coupeville Lions Club accepts donation for their annual garage sale (June 28-29). They accept almost everything, in good condition, except clothing...including vehicles, boats and trailers! All proceeds go back to the community. Contact Dennis Bullock, 679-2735 or Mel Rogers, 678-7727.

Bins for recycling newspapers and aluminum cans are located in the parking lot behind the post office and next to the library. These benefit the **Coupeville Lions Club and Boy Scout Troop 58**.

Whidbey Freecycle is an online group that gives members a place to offer and accept free items. This website has been established in partnership with Island County Solid Waste and Island County Public Health, with support from the Environmental Health Assessment Team. NO BURNING IN COUPEVILLE

The recent burn ban prohibits outdoor burning of limbs and yard waste. These items can be taken to the Island County landfill. You can also get rid of them at the town clean up day on April 5. See information to the left.

EMERGENCY INFORMATION, 678-4461

The next time we have a power outage, or in the event of some other type of significant event, we will be programming the phone at Town Hall to provide a short update. We receive updates from Puget Sound Energy, and they will be included in the message. These are, of course, best guesses. If an emergency shelter is opened, that information will be included.
