## SPRING CLEAN UP DAY SATURDAY, APRIL 4 9AM - 2PM

Again this year, The Town will partner with Island Disposal and WSU Waste Wise to provide free drop off of items that cannot be placed in your garbage can. This year we will not be accepting bags of garbage. We will take:

DISCARDS TOO LARGE FOR GARBAGE CANS:	YARD WASTE	METAL	WOOD:
Furniture	Branches under 2'	Bikes Fencing Scrap Metal	Construction Waste Wood Furniture Wood Chairs
Mattresses	Leaves	Swing Sets	
Hoses	Grass		

### NO HOUSEHOLD GARBAGE!

This service is limited to Town residents only... bring a copy of your water bill and identification showing your address to Town Shop at 205 N Main. This project is paid for with taxpayer dollars and must be restricted to Town of Coupeville residents.

## WAYS TO PARTICIPATE

Positions are due for renewal and/or vacancies exist on several of our volunteer citizen boards. If you are interested in an opportunity to participate in the following groups, please contact Judy Thomas, Clerk-Treasurer for more information and an application.

Positions available on:

- Design Review Board
- Planning Commission
- Civil Service Commission
- Park and Rec. Commission

## TOWN MEETING APRIL 30, 2009 6:30 P.M. • REC HALL

- Meet with your elected officials.
- Hear about the new Green Power Challenge.
- Give us your opinion on the proposed tree ordinance and other issues

## IMPORTANT NOTICE WATER MAIN FLUSHING

The Town of Coupeville will be flushing water mains starting April 6, 2009 and ending April 9, 2009. The flushing process will take place Monday through Thursday, 8:00 a.m. to 4:00 p.m. Central Whidbey Fire & Rescue will be testing fire hydrants as routine maintenance starting April 13, 2009 and ending April 16, 2009. This work will take place Monday through Thursday, 8:00 a.m. to 4:00 p.m. The purpose of water main flushing is to remove iron and manganese sediment that entered the distribution system from the well sources and settled within the mains. Individual prior notice of daily flushing activities will not be given.

During the flushing and hydrant testing, the water in the mains may become turbid (dirty looking). The turbid water is not hazardous to health, but may cause such aesthetic problems as staining laundry. We suggest you refrain from doing laundry during the flushing hours and be prepared that some of the first water out of the tap may be dirty looking. Running the faucet for a few seconds should clear the line.

Questions concerning the flushing and fire hydrant maintenance program should be directed to Malcolm Bishop, Public Works Director, at 678-4461.

## INTRODUCING COUPEVILLE'S FIRST COMMUNITY GARDEN PROGRAM

The Town of Coupeville is sponsoring and opening a community garden for the residents of Coupeville, who may want to have gardens but lack the space to do it on their own property. Please be sure to read the enclosed flyer for more information and then submit a completed application if you are interested in participating.
